

Evening everyone

Rain was very disappointing, but I suppose every bit helps.

As long as it is fine next Sunday that is all we are asking for.

Our Carnival is on this coming Sunday.

There has been some great support from our sponsors.

Oakey Beef Export, City Golf Club. Golf World, Lightn Plumbing, Kid Patrol, Wolski Glass and Security, plus Andrew King.

If there are any members still thinking about playing. I encourage you to put your nomination in asp.

We have around 90 players at this stage. Morning field is nearly full.

Shot gun start at 7.00am and 11.30 am.

There is to be a working bee on Saturday to tidy the course and surrounds of the clubhouse ready for Sunday.

If you have a few hours from around 7am or earlier, should you wish, it would be appreciated.

Also bring your mowers or whipper snippers please.

There was no competition last Saturday due to insufficient numbers.

See you at the weekend.

Cheers

Marlene
