DDGA Pennant Report 2026

Pennant competition in 2026 was a highlight with clubs supporting the format more than ever. Junior pennants were held at the same time this year and is growing.

14 DDGA clubs fielded teams and invited clubs Ipswich and Goondiwindi completed the fixtures. Competition was strong and the season had quite a few away wins.

The Winners.

City defeated Warwick at Warwick 4 to 3 in Division 1. Warwick topped the ladder and did well to host the final after winning Div 2 the previous year. City continue their long unbeaten run in finals.

Goondiwindi were too strong for Clifton 5.5 to 1.5 in Division 2 and will go back to Division 1 next year.

Toowoomba won their fourth consecutive pennant proving too strong against City in the Senior A final winning 4 to 1.

Cabarlah upset City 3 to 2 at City to win Senior B to retain the title won the two previous years.

Oakey won the Senior C division at their first attempt beating Gatton 3 to 2.

Handicap 1 was won by City over Crow's Nest 5 to 0.

Oakey won Handicap 2 defeating Goombungee 3 to 2. A great effort after winning Handicap 3 last year.

In Handicap 3 Warwick beat Pittsworth 3 to 2 to take the title.

The Juniors was won by Goondiwindi over Toowoomba 4 matches to 1.

Divisional Makeup 2026.

Divisions 1 & 2. Goondiwindi will move up to Division 1 with their win and Cabarlah will compete in Division 2.

Handicap Division. With the same nominations in 2027 the divisions after promotion and relegation would be.

Division 1: Stanthorpe, Crow's Nest, City and Oakey.

Division 2: Goombungee, Warwick, Dalby and Allora.

Division 3: Texas, Gatton, Clifton and Pittsworth.

In 2027 the committee will ask clubs to consider fielding teams in a new division. It would be called Division 3 and consist of 5 players with 2 off the stick and 3 handicap with an upper limit of around 8 handicap. We would welcome feedback from clubs on this possibility.

Thank you, Colin Hoey. Pennant Committee.
